THE WISDOM OF USING ISNAAD NAZIL BY AL-BUKHARI

Abstract this study deals with the meaning, types of Ali and nazil Isnaad, the importance of these Isnaads, and the preference of Isnaad to Ali Isnaad sometimes. This discussion serves as an introduction to applied study of Al-Bukhari narration method of Isnaad Nazil. The study includes samples of the Hadihts that Al-Bukhari slightly lowered the narration (by one degree or more) than some narrators and sheikhsdid.

The study also computes Isnaad Nazil with other Isnaads. More focus is given to specify the number of Isnaads narrators as well of their status to find out the wisdom behind using Isnaad Nazil by Al-Bukhari. The findings of this study have revealed the delicate method Al-Bukhari used in narrating Hadiths through Isnaad Nazil. The study has also revealed Al-Bukhari method of narrating sheikhs particularly who are his colleagues or students.
